Mandatum Life offers services in wealth management, rewards, and personal risk insurance. Its headquarters is situated in Helsinki and it has operations in both Finland and the Baltic countries. Finland is the main area of Mandatum Life's operations and the company has 300,000 private customers and 20,000 corporate customers located there.

The focal point of Mandatum Life's insurance operations is wealth management, unit-linked insurance and risk insurance. In 2018, Mandatum Life's total market share of direct insurance in Finland was 24.5 per cent.
