Topdanmark offers services in regard to both life and P&C insurance. The company operates in Denmark, where it is the second largest P&C insurance company and a major life insurer.

P&C insurance - in regard to P&C insurance, Topdanmark focuses on the private, agricultural, and SME markets. The operation consists of two business areas: private and SME. The main products in the private business area are motor, home and contents insurance. Meanwhile, in the SME business area, Topdanmark serves approximately 100,000 Danish small and medium-sized enterprises and agricultural customers.

Life insurance - Topdanmark's main product in the area of life insurance is group life insurance with compulsory pension schemes for the employees of the customer companies. Topdanmark's life insurance services are provided to both private and SME customers.
